In that case, no refund of any fees paid will be made.
- All dogs must be on leash at all times except when using the warm-up area or in the agility ring.
- No entry fee will be refunded if the Trial cannot open or be completed by reason of riots, civil disturbance, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.

St. Louis Pinball

Briefing – St. Louis Pin Ball is a dog's choice point accumulation game. A number of obstacles are set aside on the course with extraordinary value. The handler is obligated to direct the dog to score and pick up as many of those high value obstacles as possible. St. Louis Pinball is originally *Wild West Pinball* which is a scored points, then time.

Connect the Dots

Briefing – accumulate points using handler's path by connecting the dots. "Dots" are contact obstacles. Game is scored – point value: jumps 1, tunnel and tire 3, weaves 5 and contacts 10. Dog may not start on a 'dot'. Obstacles are to be taken in between 'dots'. If an obstacle in a line is faulted, points are lost from the last dot. One point must be scored between dots. After faulting an obstacle, the handler must direct the dog to perform at least one eligible obstacle to earn points before attempting the next dot.

Octagone

Briefing – Starting at the 12 o'clock jump, dog and handler must perform all jumps in a serpentine fashion. If the dog knocks a bar, crosses the line of poles in the center of the Octagone, or refuses a jump, the dog must do the weave poles. This game is scored time only.

Junnel

Briefing – The dog is required to perform a jumping sequence and a tunnel. If the dog knocks down a bar at any point, the handler must put the dog on the table and replace the bar. The dog may then continue at the faulted jump. If the dog goes off course, the handler will be instructed to start the entire course from the beginning.

For more information on these games the Book of Agility Games is available for a modest price; please visit: <http://dogagility.org/Newstore>. Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to

measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division. Dogs that run in a height division higher than their measured division will be scored in the higher jump height division (ex: if your dog is measured into the 12" division and you jump 16" at a TDAA trial you will be competing with 16" dogs for placements). Dogs that run in a height division lower than their proper division will be scored with dogs of their measured height. TDAA height divisions are:

- 2" jump height: for dogs measuring 4" or less at the withers
- 4" jump height: for dogs measuring 8" or less at the withers
- 8" jump height: for dogs measuring 12" or less at the withers
- 12" jump height: for dogs measuring 16" or less at the withers
- 16" jump height: for dogs measuring 17" or less at the withers

ALL DOGS WITHOUT A PERMANENT HEIGHT CARD must be measured prior to the first day of competing at this trial. Arrive early enough to accommodate measuring.

TWO MEASUREMENTS BY TDAA JUDGES are needed to show a dog in TDAA.

For Exhibition Only (FEO)

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

Disabled Handlers

A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

HOW THE FAST TRACK MOVE-UP PROGRAM WORKS

This may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day if the dog qualifies first in Games I and then qualifies again in Games II. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for a previous trial.

Entries

Early Bird-Entry pricing closes at 6:00 PM February 22, 2019

Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry forms: one dog per entry form.

Photocopied entries without the signed TDAA agreement attached are NOT acceptable.

Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the Trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee.

VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small: small dogs, small equipment, small trials, and small number of handlers. We need all hands to make a small trial work. Please volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience and at the same time helping to make the trial run smoothly. There will be sign-up sheets posted in the crating room.
