### Height Divisions

The TDAA offers the following Measured Jump Height Divisions: 4", 8", 12", 16"; and the following Jump Heights: 2", 4", 8", 12", 16". Owners/handlers are responsible for entering their dog at the proper height division, both the dog's Measured Jump Height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's Measured Jump Height. Any dog that has not previously competed at a TDAA trial must be measured before competing.

No treats or food allowed. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

## Disabled Handlers

A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

## **VOLUNTEER SIGN UP**

Volunteers are the backbone of any agility trial. By its very nature TDAA is small: small dogs, small equipment, small trials, and small number of handlers. We need all hands to make a small trial work. Please volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience and at the same time helping to make the trial run smoothly. We will also be offering ONE 'Mulligan' per day standard or game. The handler is given the opportunity to re-run an event with the second run superseding the first. There will be a fee of \$5.00
